SECTION: 1 - TOURNAMENT RULES: GENERAL

1. To be eligible for State events a player must be registered with QEBF and have played 50% of matches available in Association fixtures for the event calendar year. Newcomers must play 50% of available matches since registration -- minimum 5 fixtures.
2. The dress code applies to all QEBF events: collared shirt, black covered dress shoes, black dress slacks/skirt.
3. Participants in State events will be required to umpire matches according to the tournament schedule.
4. Match Play: Players/teams will forfeit 1 frame for each 5 minutes lapsed after call to a scheduled table by a tournament official. Match forfeit will occur after 20 minutes.
5. Round Robin: Players will forfeit frame/s when 5 minutes have lapsed from call to a scheduled table by a tournament official. Players will forfeit their round robin place when the second 5 minutes have lapsed from call to a scheduled table by a tournament official. Players will forfeit their round robin place if the 5 minute call is missed at any later stage in the event. If a player continues the round robin at the second call, initial frame/s missed are played for the overall result. Frame/s are deducted from the offender's final score.
6. Players in all State events must not play lower than their Association grade of that year, which should be the same as that played for the previous year unless they were relegated by Association rules (usually less than 30% for previous year).
7. Once a player completes his/her third fixture in a higher grade he/she must remain in that grade, and cannot compete in fixtures or State events in his/her previous grade for that year.
8. Once commencing an event, players must complete any round robin schedule unless extreme circumstances prevail. Penalty: monetary fine payable to the QEBF (or the Zone), or forfeiture of entry to any state event. Repeat offenders within a three-year period incur a suspension for one calendar year from all QEBF events.
9. Representatives, athletes, members, guardians, spectators, coaches and officials who publish content that is deemed not in the best interest of the Federation/Association and the sport may be subject to disciplinary action in accordance with the Member Protection Policy, Code of Conduct and other relevant Policies adopted by the Queensland Eight Ball Federation (Q.E.B.F).
10. Disciplinary action and monetary fines to be decided by the management committee.
11. Once qualified to represent an association or zone you must decline that offer before attempting to qualify for another association or zone. (Referencing City v Country, Country Cup, Qld Cup, Zone Singles or Zone Team). You may only attempt to qualify for one State Singles or State Team.
12. Any non-financial QEBF member cannot participate in any zone or state events. A member is non-financial once their invoice is past the due date. Unless otherwise determined by the QEBF, the due date is usually 3 weeks from the invoice date.
13. Any player who qualifies for a State Team and subsequently withdraws without good cause (that could not have been foreseen prior to participating in the State Squad Playoff), will be ineligible to trial for the State Team in the following two years.
